

DAL SEME AL GRANO

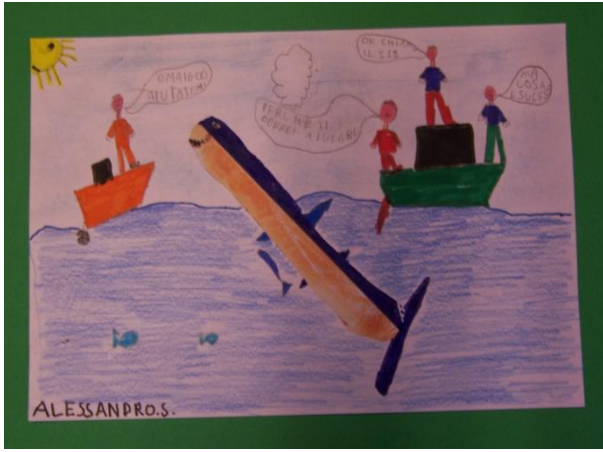

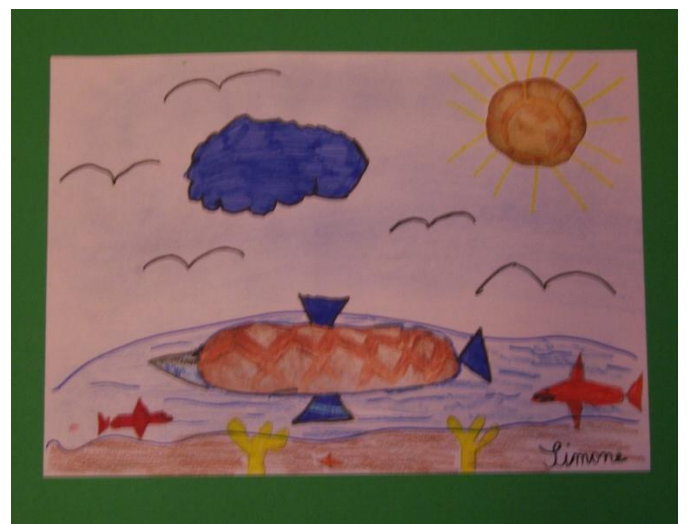

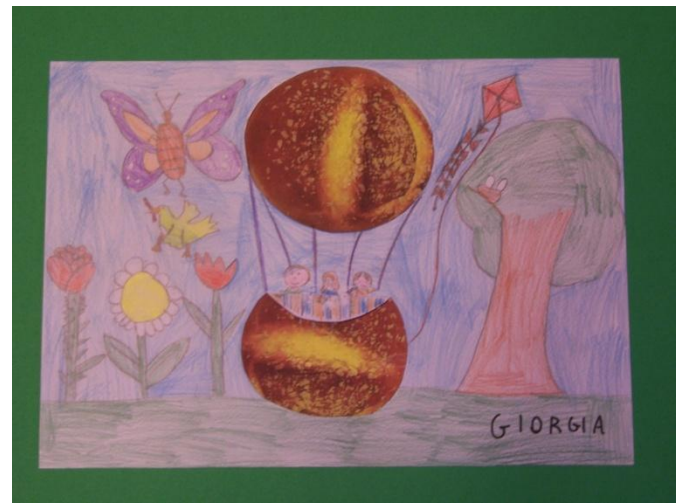

NON E' SOLO PANE...

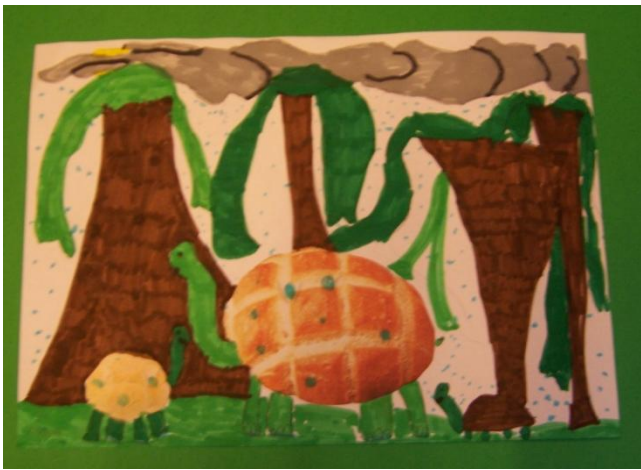

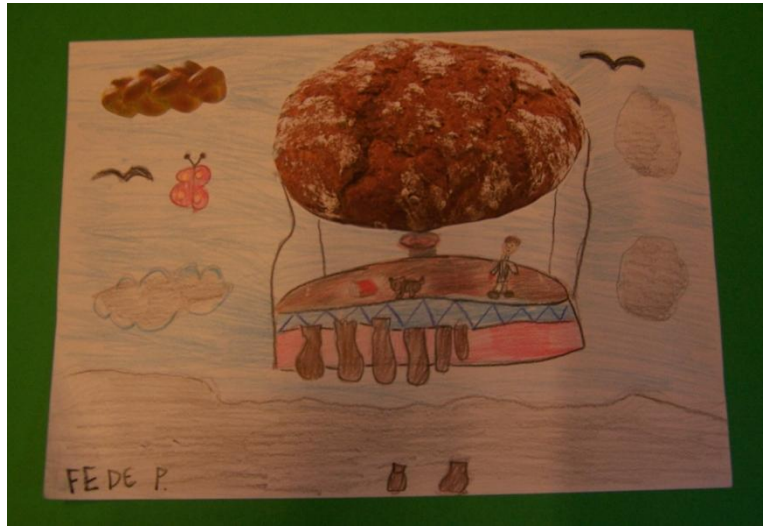

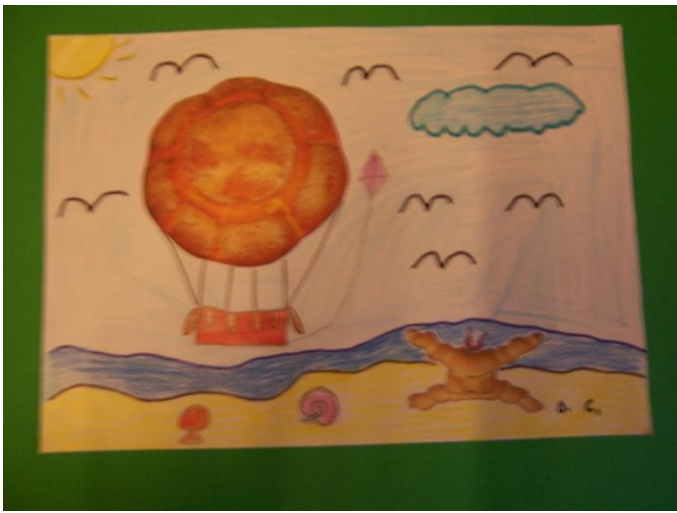

DAL GRANO AL PANE

AL

PANE

1. Il campo viene arato
per il pane.

2. Il trattore arava
il campo e lo fa coltivare
nel terreno.

3. Il campo è verde
e maturo per dare
il grano.

4. Il grano è maturo
e si toglie dal campo.

5. Il grano viene
raccolto.

6. Il grano viene
macinato e diventa
farina.

7. La farina viene
impastata con
acqua e lievito
per fare il pane.

8. Il pane viene
cotto nel forno
e diventa
crocante.
